MARCH 2018

## HAVE YOU LOOKED IN THE MIRROR LATELY? ARE YOU HAPPY WITH WHAT YOU SEE?

Do you have an upcoming event such as a graduation, wedding, vacation or maybe another event that you would like to brighten up your smile for? Our team at Crosswinds Dental understand how important it is for you to look your best. We have many different options that can help make your smile the best it can be, including whitening (in office and take home), Invisalign, Crowns, Veneers, Bonding and Dental Implants. We always offer complimentary consultations and we can go over all of your options with you.

Just an FYI most of our team will be out of the office the week of March 26<sup>th</sup> for Spring Break, however Dr. O'Grady and Lisa will be in the office working that entire week. So if you have any dental issues they will be able to assist you.
